

EDGE

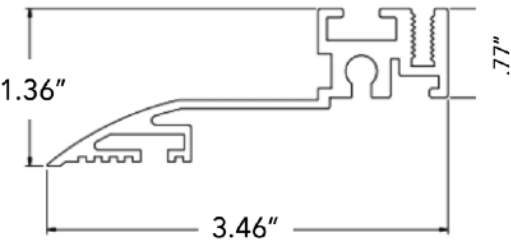

Knife-Edge System

FEATURES

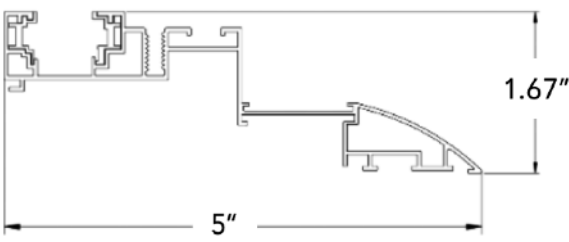

- Seamless, sharp-edged architectural feature that provides a clean-cut solution for any ceiling.
- EDGE is field cuttable or factory cut to length.
- Plaster-in precision knife edge.
- Use with a variety of articulating arm spots and LED linear tape options.
- Spots range from 8w (737lm) to 40W (3500lm).
- Linear LED tape wattage options from 1.5W, 4W, 6W, 8W and 12W.
